

## Xiaodong Chen, Ph.D.

Pacific Northwest National Laboratory

PO Box 999, MS: K9-30

Richland, WA 99352

Phone: +1-509-372-6448

E-mail: [xiaodong.chen@pnnl.gov](mailto:xiaodong.chen@pnnl.gov)

Website: <http://www.xiaodongchen.com/>

## Research Interests

---

- Hydroclimate Extreme Events (extreme precipitation and flooding)
- Regional Climate Modeling and Applications
- Machine Learning and Neuralhydrology
- Engineering Hydrometeorology

## Research Experience

---

2018.3 - now	Postdoctoral Research Associate Pacific Northwest National Laboratory, Richland, WA, USA
2013.7 - 2013.8	Visiting Scholar National Institute for Environmental Studies, Tsukuba, Ibaraki, Japan

## Degrees

---

2015.3 – 2017.12	Ph.D. in Civil and Environmental Engineering <i>Dissertation: “Understanding probable maximum precipitation and safety of water management infrastructures under a changing climate”</i> Department of Civil and Environmental Engineering, University of Washington, USA
2011.9 – 2015.3	M.S. in Civil and Environmental Engineering <i>Thesis: “Model estimate of Pan-Arctic wetland methane emissions and their climate sensitivity during 1960-2006”</i> Department of Civil and Environmental Engineering, University of Washington, USA
2007.9 – 2011.7	Bachelor in Hydraulic Engineering Department of Hydraulic Engineering, Tsinghua University, China

## Honors and Awards

---

2020	Editor’s Award ( <i>Journal of Hydrometeorology</i> )	American Meteorological Society
2020	4 <sup>th</sup> Yuxiang Early Career Award	Chinese-American Oceanic and Atmospheric Association
2019	EED Of-The-Year Award	PNNL Energy and Environment Directorate

2019	Editor's Award, <i>Advances in Atmospheric Sciences</i>	Springer Sciences+Business Media and Science Press
2017	Chinese Government Award for Outstanding Self-Financed Students Abroad	China Scholarship Council
2015	Graduate Student Fellowship	University of Washington
2010	Friend of Tsinghua-Huang Qianheng Scholarship	Tsinghua University
2010	Second Prize in 2 <sup>nd</sup> Hydrological Innovation Competition	Tsinghua University
2009	Allen T. Chwang Award of Fluid Mechanics	Tsinghua University

## Grants

PNNL	Approaching High-resolution Downscaling of Climate Projections with Machine Learning	\$7,000	PI	10/19-09/20
------	--	---------	----	-------------

## Community Services

Associate Editor	Journal of Hydrometeorology (2018 - present)
Reviewer	IPCC AR6 WG I report (SOD expert reviewer)
Referee	Advances in Atmospheric Sciences; Atmosfera; Atmosphere; Atmospheric Sciences Letters; Earth's Future; Estuarine, Coastal, and Shelf Science; Geophysical Research Letters; Journal of Applied Meteorology and Climatology; Journal of Geophysical Research: Atmosphere; Journal of Hydrologic Engineering; Journal of Hydrology; Journal of Hydrometeorology; Water Resources Research; WIREs Water
Mentor	Hisham Eldardiry (Ph.D. student at University of Washington, 2016-2017) Asif Mahmood (Ph.D. student at University of Washington, 2015-2016)
Judge	PNNL Post Graduate Research Symposium (2018)
